Interreg for beginners

Certified training, 7 Feb – 21 Feb 2025

Overview

This certified training is designed to get you familiar with Interreg, also known as European Territorial Cooperation. You will go through the history, evolution, and positive impact it has had on European regions. You will learn together with a cohort of other participants from across Europe.

Who is it for?

This training is open to anyone who's interested in Interreg. You could be someone who just recently started working for an Interreg programme, you could be someone who's interested in applying for Interreg funding for a project, or you could simply be curious about Interreg.

What will I learn?

At the end of the training, participants will be able to describe and explain:

- What Interreg is;
- Why it exists;
- How Interreg cooperation projects benefit European regions;

How long does it take?

It typically takes 10 hours (within 2 weeks) to complete all components of the training.

How do I get my certificate?

The certificate is issued when all mandatory components are completed and upon successful completion of the assignment.
