Interreg evaluation foundations
Certified training, 13 Nov - 12 Dec 2025

Overview

Within the Interreg evaluation foundations certified training, participants will be acquainted with the legal requirements for evaluation. They will also get an overview of the complete evaluation life cycle. This goes deeply into fundamental evaluation concepts, including intervention logic, theory of change and evaluation criteria. It covers a spectrum of topics, ranging from the appreciation of the role of evaluation to the effective use of lessons learned, the development of well-structured evaluation plans, the establishment of robust evaluation criteria, and navigation of Monitoring - Evaluation - Reporting (MER) procedures. This certified training requires your proactive engagement

Who is it for?

This training is designed for all Interreg programme officers who are interested in the field of evaluation, or want to gain experience in the field of evaluation (beginners).

What will I learn?

At the end of the training, participants will have become familiar with the fundamental evaluation concepts and should be able to complete evaluation tasks within the context of the 2021-2027 programming period.

How long does the training take?

It typically takes 18 hours (within 1 month) to complete all components of this training. This certified training requires the participant to attend an online event at the beginning of the event on 6 November 2025 and at the end of the training on 12 December 2025.

How do I get my certificate?

The certificate is issued when all mandatory components are completed and upon successful completion of a final assignment.
